- Statistics MSc

Please note that an application for spring 2013 start to any other Master's degree programme will not be processed.

Timetable

Application period: 1 March - 15 April 2012

Applications to the Master's degree programmes beginning in the Spring Semester 2013 can be submitted online from 1 March 2012. Deadline for applications is **Sunday, 15 April 2012**.

Keep in mind that the printout of your online application with the supporting documents (see http://www.rektorat.ethz.ch/students/admission/master/how_to_apply/specific_requirements/index_EN) must arrive at the Admissions Office by **17 April 2012**.

Entry semester	Teaching begins on	Online application	Documents arrive at the Admissions Office	Admission decision expected
Spring 2013	18 February 2013	1 March - 15 April 2012	Tuesday, 17 April 2012	until 20 June 2012

As a rule, late applications will not be accepted.

How to Apply

In general, please follow the instructions provided on http://www.rektorat.ethz.ch/students/admission/master/how_to_apply/index_EN for preparing your application.

Exception: The only start semester available in the online application is "Autumn Semester 2012". You should use this term to submit your online application, even though you want to begin your studies in the Spring Semester 2013. After submitting your application and printing your application form, **on the first page change the start semester to "Spring Semester 2013" in clearly visible handwriting**, sign the form and send it to the Admissions Office with your supporting documents.
